

MISTI GSF FINAL REPORT QUESTIONS

1. Seed Fund:
2. Application Cycle the fund was awarded in:
3. Proposal / Project Title:
4. Grantee Name (lead MIT PI):
5. Grantee Email:
6. Grantee Title:
7. List of Countries (Countries Involved):
8. International Collaborator:
9. International Collaborator Email:
10. International Collaborator's Institution:
11. Enter the MIT account number affiliated to the MISTI-GSF grant awarded:
12. Total Amount Rewarded:
13. Amount Spent:
14. Remaining Balance:

15. Activities Overview (300 words minimum): please describe the activities that were performed using the MISTI Global Seed Fund award, including the major goals of the project, what was accomplished toward these goals, major activities, significant results, major findings, developments, conclusions, and key outcomes or other achievements.

16. International Collaboration (200 words minimum): what challenges and successes were due to working cross-culturally / across countries? How did working with your international peer(s) enrich and inform this project?

17. Project Sustainability: Do you plan to continue this collaboration or a different project with your current GSF team? Why or why not? If you wished to continue this collaboration but could not, what factors limited that?

18. This project has enhanced, increased, or expanded my and my team's international connections with relevant peers.

19. Could you quantify the number of new relevant peers beyond the project's team that you have met as a result of this project?

20. If you established new peer relationships, where did you meet them:

21. This project has increased my interest in collaborating with international partners.

22. Please name all team members:

23. Please indicate the number of participants of each project role that made up the team (both MIT and international):
 - i. Team - Co-Investigators
 - ii. Team – Faculty
 - iii. Team – Postdoctoral
 - iv. Team – Technician
 - v. Team - Staff Scientist
 - vi. Team – Statistician
 - vii. Team - Graduate Student
 - viii. Team - Non-student Research Assistant
 - ix. Undergraduate Student
 - x. Team – Other

24. Please list the name of all MIT student team members (Undergraduate and Graduate):

25. How did student participation in this seed fund project benefit the project and the students involved?

26. If actual student involvement differed from planned student involvement as written in your seed fund proposal (i.e. fewer students participated), please explain why:

27. Additional funding:

28. Sources(s) of additional funding:

29. If you secured additional funds, how much were you awarded?

30. Number of Academic Publications that resulted from this collaboration:

31. Academic Publications links, citations:

32. Citations, news coverage, non-academic press, other notable or newsworthy outcomes:

33. Workshops, colloquia, seminars or other events:

Please upload any photos with your collaborators and/or related events you'd like to share with MISTI. Photos may be used in MISTI-GSF publications.

Alternately, you can email project photos to misti-gsf@mit.edu

- i. Id
- ii. Name
- iii. Size
- iv. Type

34. What is your gender? Please self-describe your gender:

35. What is your country of origin?

36. What is your racial/ethnic background? (Select all that apply)
